

THE LAND IS SECURED. THE NEXT PHASE BEGINS.

Purchasing this land was a major milestone made possible by people who believe every child deserves access to compassionate care.

Today, our team walked the future site of a nonprofit center that will expand free rehabilitation, education and family support for children with cerebral palsy in Tanzania.

NEXT CONSTRUCTION MILESTONES

1. WATER WELL US\$ 12.000

A reliable water source is essential for construction and for the future center's daily clinical operations.

DRILLING AND INSTALLATION

2. BLOCK PRODUCTION SYSTEM US\$ 7.000

REFERENCE MODEL: QTJ4-40

Up to 3,600 6-inch blocks / 8 hours

35-40s cycle • 8.8-9.6 kW power

Molds for 4, 5, 6 and 8-inch blocks

Vibrating block press

\$4.000

550L concrete mixer

\$2.350

Vibrator + molds

\$650

HELP LAUNCH THE NEXT PHASE

US\$ 19.000

Your support will bring water to the site and establish local block production - reducing costs and turning this land into a lasting center of care.
